<ul style="list-style-type: none">CBSE (Class X), Aggregate: 87.6%	

Skills

| C++ | C | Python | Machine Learning |

| HTML | CSS | JavaScript | NodeJS | React |

| MongoDB | MySQL | Git |

Language

- Hindi.
- English

Projects

News App **July'2023**

- Using React to fetch data from an API and display different types of news.
- Show different types of news according to what you want to read.

Text_Editor (https://vjzest.github.io/text_editor/) **August'2023**

- This is a text editor which I developed using React, JavaScript, CSS, and HTML
- It converts uppercase to lowercase and vice versa, removes extra spaces, and copies text.

Portfolio (<https://boisterous-licorice-31c8f3.netlify.app/>)

Academic and Extracurricular Achievements

- ★ ★ On CodeChef (max-1520).
